

## ENCYCLOPEDIA OF WINDOW FASHIONS

2000 DECORATING IDEAS FOR WINDOWS, BED COVERINGS & ACCESSORIES—6TH ED.

BY CHARLES T. RANDALL

### The World's Favorite Window Decorating Book

Finally, a new comprehensive update for the book that has become the industry standard for decorators and homeowners alike! Now in its sixth edition, this all-inclusive pre-eminent decorating book has been reworked for the new millennium, including an expanded historical section, new styles and calculations, more comprehensive information about treatments and accessories, and of course, the visual index—a terrific means to colorize any window treatment or accessory in this book to your own interior color palette.

### The Author

Charles T. Randall began his career in the soft furnishings business in 1976 as a drapery installer, and has since become a best-selling author and the world's leading authority on window treatments. In 1987, he revolutionized the interior design world after writing *The Encyclopedia of Window Fashions*, which fast became an industry standard and is used by more than 40,000 decorators worldwide. It has become the definitive book on window decorating and has sold more than one million copies.

Randall is also the author of the soon to be released *Charles Randall's Designer Sketchfile: Draperies, Top-Treatments, Fabric Shades and Bed Covering*, sure to become the next classic, must-have book on custom window treatments
