

THE WINDOW DECORATING BOOK

BY KATHLEEN S. STOEHR AND CHARLES T. RANDALL

The Book

An exceptional guide to window coverings featuring more than 800 photographs and illustrations, *The Window Decorating Book* is both unique and compelling in covering the scope of window products available on the market today. You will be encouraged to explore and consider all of your options, including sections on specifications and fabric quantities, should you wish to do so. *The Window Decorating Book* not only provides an inspiring visual catalog of ways to use draperies, blinds, shades, and shutters imaginatively, but also delves into the details; providing vital information on the pros and cons of various products, and how to choose fabrics and treatments that create the right atmosphere for any room of the house.
